VS250 Planet Series

With a 43% carbon footprint reduction compared to our regular VS250, the VS250 Planet Series wears like your favorite pair of sunglasses with a streamlined, close-fitting design and a low pressure yet stable fit that's built for all-day comfort and compliance.

The VS250 Planet Series frame includes up to 45% recycled material, while the lenses are made with 100% mass-balanced polycarbonate complete with our proprietary, permanent anti-fog and scratch-resistant TruShield® coating that won't wash off over time.

Additionally, Planet Series packaging is recyclable and cartons are made of 100% recycled content.

Part numbers

Lens	Coating	Part #
Clear	TruShield®S	11-15001-04PLNT

Coating descriptions

Interior	Exterior	Use
TruShield®S

Protective devices do not provide unlimited protection. Some operations may require machine guards, face shields, special filter lenses, or other safety equipment. Safety eyewear does not provide complete protection against hazards, and should only be used in conjunction with the prescribed safety equipment for the application as well as defined safety practices.

UVEX SAFETY GROUP GmbH & Co. KG, parent company of HexArmor®, has achieved a Gold EcoVadis Rating, placing us in the top 5% of sustainable suppliers globally.
