

2360

Style	Sizes	Description
2360	S - XL	FrogWear™ - 12 inch blue premium super flexible Nitrile/PVC blend, sandpaper finish with a seamless inner shell. Made from 50% PVC & 50% Nitrile to give great dexterity and chemical resistance. Nitrile is used for the chemical resistance and blended with 50% PVC to add additional flexibility. This blend stays flexible in cold temperature and has great chemical resistance. The sand paper grip enhances handling of slippery objects wet or dry.

Applications:

Great general chemical resistance against a wide range of chemicals. Best dexterity available for a supported glove.

Qualities:

- EN388 levels: 4121
- Extremely flexible even in cold weather
 - Waterproof
- Comfortable seamless shell
- Premium 50% Nitrile/ 50% PVC blend
