

# Insulated Winter Gloves Suede Deerskin Palm 3300DSIN

**3300DSIN** Sizes: 7(Small) - 10(XL)

## Features:

These premium, winter, suede Deerskin leather palm gloves are designed for warmth and dexterity. They feature a reinforced double palm, 100 grams of Cold Keep® insulation and a fleece back. The open cuff allows for easy donning, and a shirred elastic back ensures a secure, snug fit. Each pair is individually hang-tagged.

## Benefits:

- Suede Deerskin leather palm improves dexterity
- Reinforced double palm increases wear protection
- 100 grams of Cold Keep® insulation, fleece back and shirred elastic cuff optimize warmth and comfort
- Open cuff for easy donning and doffing

## Applications:

- Automotive
- Delivery
- General Purpose
- Material handling
- Cold Storage
- Agriculture
