

**CHROME SLT®****HexArmor®**

# 5072IMP

Designed with durability, the Chrome SLT® 5072IMP goatskin leather driver is your go-to glove in dry and oily conditions where additional heat protection is required.

The 5072IMP features our premium leather with our exclusive industry-leading OilGuard®+ technology to deliver heavy-duty, long-lasting oil resistance. It's TSCA compliant, lightweight, and ready to work right out of the bag — no break-in needed. With unsurpassed dexterity and excellent resistance to hazards, this glove combines traditional style with a combination of cut, impact, contact heat, arc flash, and more. Plus, we incorporated a padded palm to reduce vibration — perfect for the toughest jobs.

**Protection zones**

- Steel/polyester liner
- Impact protection
- Padded palm
