

440

Style	Sizes	Description
440	7(S)-10(XL)	Gripster® state-of-the-art all weather glove made from a lightweight 15 gauge nylon liner and double dipped latex coating. The first full coating is a highly advanced breathable latex foam to keep your hands feeling cool and dry with excellent flexibility. The second coating is a wrinkle finish latex for better dry and wet grip. This glove combines superior dexterity and breathable comfort while providing excellent grip in dry and wet conditions. The open cuff construction allows for easy donning and comfort.

Applications:

Industrial protection great for jobs including: railways, automotive, manufacturing, construction, gardening, agriculture, and general purpose applications.

Qualities:

- EN 388 levels: 3142
- EN 407 levels: X1XXXX
- Lightweight 15 gauge nylon liner for comfort and dexterity
 - Double dipped latex with a wrinkle finish grip
 - Provides excellent dry, wet & oily grip
- Open cuff construction for easy donning and comfort
 - Each pair is individually hang-tagged
