

# #499 Oxy Power Stain Remover

## Product Description:

An aggressive, multi-purpose stain remover, color brightener, deodorizer, mold and mildew remover. This powder can be used on all washable fabrics and surfaces. Effectively removes mold and mildew from any washable surface.

## Where to Use:

colorfast fabrics	washable surfaces	carpets
shower rooms	coffee pots	countertops

## Directions for Use:

### **READ ENTIRE PRODUCT LABEL PRIOR TO USE**

Colorfast Test – Be sure all fabrics, colors, and trimmings are washable. Dissolve 1 tsp. of Oxy Power in 1 cup of hot water. Soak a hidden area of the item in the solution for 1 minute. If the color does not bleed, proceed with the recommended usage levels.

Institutional Washing Machines: 2 oz. to 50 lbs. of laundry.

Pre-Soaking: Dissolve 2-4 oz. in 1-2 gallons of warm water in a tub or sink. Allow to soak for 30 minutes.

Cleaning Solution: Use Oxy Power on any surface that is water washable. Mix 1 tsp. in 1 quart of hot water.

## Packaging & Other Information:

8 lb. pail w/ scoop • 25 lb. pail • 50 lb. pail • 100 lb. drum

White powder - slight detergent odor
