

Tsunami Grip® 500MF

Style	Sizes	Construction	Liner	Cuff	Coating
500MF	S (7) – 2XL(11)	Black Mach-Finish™ nitrile on red nylon shell. The unique double micro finish nitrile coating provides the grip comparable to true foam/air injected nitrile and has more abrasion qualities. It also will not saturate through the coating like foam/air injected nitrile.	13 gauge nylon	Knitwrist	Double dipped microfinish nitrile

Applications:

Electronic assembly, food processing, automotive, construction work and general all purpose use.

Qualities:

- Outstanding wet oil grip
- Fantastic dexterity, fit & feel
