

#505 Fast Action

Drain Opener

Product Description:

Powerful, ready-to-use drain opener. Dissolves and removes obstructions caused by hair, grease, paper, matches, rags and organic matters. No need to remove standing water. Pour directly into drain, destroys grease so that it flows down the drain. Does not contain sulfuric acid. Not harmful to plumbing or fixtures.

Where to Use:

Use only to open drains.

DO NOT MIX WITH ANY OTHER PRODUCT.

Directions for Use:

READ ENTIRE PRODUCT LABEL PRIOR TO USE

Stopped Drains: Use 16 ounces and allow to work 30 minutes.

Basement Drains: Pour into drain and leave overnight.

Slow Drains: Use 4 – 6 ounces every 20 minutes until drain returns to normal.

To keep drains running freely, use 2 – 4 ounces once per week.

Packaging & Other Information:

4/1 gallon case • 12/1 quart case

Clear liquid – virtually odorless
