

# 900 Heavy Duty Degreaser

## Product Description:

Formulated for tough jobs! This heavy duty industrial cleaner takes over where all purpose cleaners leave off. Instantly dissolves and emulsifies heavy grease, oil, carbon deposits, rubber burns, ink, dirt and grime. This product is excellent to use in pressure washers and automatic scrubbers because of its low sudsing properties. May be used in a variety of cleaning applications with different dilution ratios.

## Where to Use:

factories	concrete	rug spotting	machinery & parts washing
shower rooms	floors	garages	construction vehicles
smoke damage	restaurants	offices	wax stripping
schools	walls	steam cleaning	white sidewall tires
engines	laundry spots		

## Directions for Use:

### READ ENTIRE PRODUCT LABEL PRIOR TO USE

This product must be diluted with water. Dilution ratios are very flexible. In many cases a more dilute solution can be used, while for extreme conditions a less dilute solution may be appropriate.

Dilute with water as indicated below using one part cleaner:

LIGHT DUTY CLEANING	1-60	GENERAL CLEANING	1-40
HEAVY DUTY CLEANING	1-20	DEGREASING	1-20
MACHINERY	1-20	FLOORS & WALLS	1-30
PRESSURE WASHING	1-35	PAINTED SURFACES	1-50

## Packaging & Other Information:

4/1 gallon case • 5 gallon pail • 55 gallon drum
