

EMERGENCY IDENTIFICATION TAG

SECURELY STORE WORKERS MEDICAL & EMERGENCY CONTACT INFORMATION

The **American Worker ID** Emergency Tag from Majestic enables workers to securely carry their emergency ID. In an accident, the system provides first responders and paramedics instant access to potential lifesaving information and allows emergency contacts to be quickly notified of a situation 24/7. **American Worker ID** is a tested, proven, and effective solution to strengthen on-site safety and risk management.

- ◆ In Case of Emergency (ICE) identification sticker
- ◆ Strengthens on-site safety procedures and worker information records
- ◆ Essential for work sites with large worker numbers and frequent staff rotation or turnover
- ◆ Fully secure - security flap protects worker's information
- ◆ 100% Waterproof
- ◆ 3M® adhesive will not weaken or damage safety helmets

4-Point Solution

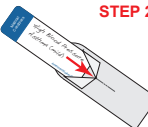

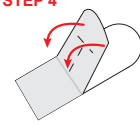

Essential Back-Up: Information is ready 24 hours a day, 7 days a week, essential when the work-site is active but the office is not.

Proactive Safety: A progressive solution geared toward pro-active health & safety managers.

Data Security: Design prevents tampering with, or access to worker data but ensures it is available in the event of an accident or medical emergency.

Worker Choice: Each worker chooses what information they want to record. This gives the worker the opportunity to record information that would be essential in an accident but they may not want to share directly with their employer.
