

Technical Data

Color	White
Sizes Available	8.5
Packaging	Bagged Pair
Packed	32 Pair/Case
Case Weight (lbs)	0.00
Country of Origin	United States
Polymer	Chlorosulfonated Polyethylene
Grip	Smooth
Cuff	Rolled
Length	32"
Powder	Powder Free
Thickness	15 Mil
Construction	Unsupported, Waterproof
Certifications	TAA Compliant

North®

15 Mil, 8" Port Hand Specific CSM Glovebox Glove - 32"

- CSM is a soft abrasion resistant material that provides superior resistance to ozone and oxidizing chemicals such as alcohols, alkalis, and acids
- White CSM surface will not hide contamination and is easily cleaned (important for "clean" applications, such as in the pharmaceutical industry)
- Natural soft feel for greater worker comfort
- Rolled bead cuff resists tearing, improves donning strength and maintains a secure seal on glovebox ports
- Every glove is electrically tested to detect holes or thin spots, ensuring greater safety
- Available in sizes 8.5" and 9.75" (palm diameter)
- Made in the USA

Care Instructions

Four year shelf life when stored in original packaging in a cool dry place away from light. Recommended temperature range: 50F to 86F (10C to 30C)
