Miller® AirCore™

Premium Breathable Full-Body Harness with Lightweight Aluminum Hardware, 5 Points of Adjustment, with Back/Front D-Rings and Quick-Connect Chest & Leg Buckles

- Breathable, open-core padding provides optimal air flow, keeping workers drier and cooler
- Patented DuraFlex® stretchable webbing provides greater flexibility and increased comfort
- Easy adjustment with cam buckles on shoulder straps
- Contoured ergonomic padding design minimizes contact to reduce chaffing and irritation
- Stand-up back D-ring, with front D-ring that is ideal for ladder climbing, descent, and rescue positioning tasks
- Quick-connect chest strap buckles for easy donning
- Lightweight materials and components reduce fatigue for all-day endurance and increased productivity
- 16% lighter than competitive harnesses with aluminum hardware
- Durable knitted mesh back shield minimizes moisture absorption and maintains optimal air circulation
- Supports a weight capacity of 400 lbs, ensuring durability and reliability
- Meets OSHA, Certified ANSI and CSA standards for fall protection equipment
