CRYSTAL BLACK FRAME
CLEAR LENS

DESCRIPTION

The fashion sport inspired design of the Maki safety glasses can be combined with the optional removable closed cell EVA foam to protect from airborne particles and debris. It also has dual injected TPR temple ends and embedded rubber nose pieces to ensure a slip free fit in any environment.

*BH14G - optional removable flame resistant foam gasket available for all Maki safety glasses.

TECHNOLOGY

All Bullhead Safety® Eyewear is made from 100% virgin materials.
