

Cut Resistant Welding Gloves

CR1200

CR1200 Sizes: One Size

Features:

This premium russet color, shoulder cow split leather welders glove features an Aralene® cut resistant liner, reinforced wing thumb, and a double reinforced thumb crotch. It also has a hem cuff, welting in all vulnerable seams and a full semi-sock, thermal-knit cotton lining for comfort and added heat protection.

Applications:

- MIG or TIG Welding
- Heat Handling
- Welding
- Foundries

Benefits:

- ANSI level A4 cut resistance
- Lining plus Aralene inner shell provides good heat protection
- Generous sizing accommodates a greater variety of hand types
