

CR336G

Style	Sizes	SpectraGuard® Construction	Protection
CR336 G	6,7,8,9,10	Samurai™ CR336 is a light-weight, 10-gauge seamless knit glove that represents the latest development in high performance, cut-resistant fiber technology. Samurai offers superior cut protection with a special patented wrapping process using Spectra® space age fibers. The Samurai™ outperforms heavier gauge competition in cut-resistance, comfort and durability. It is classified as SpectraGuard® and has the highest level of protection, level 5.	Offers level 5 protection of heavyweight product and is 45% weight of 7 gauge products.

Applications:

Excellent protection for all food preparation operations including de-boning, and slicer blade maintenance.
 Excellent industrial protection in handling sharp materials in applications with glass, sheet metal or razor sharp steel.

Qualities:

- Excellent tactile dexterity and cut protection
- Highest level cut resistance
- AlphaSan® Antimicrobial protection
- Machine washable, bleachable
