

CR377

Style	Sizes	Construction	Protection
CR377	XS – XL	Samurai™ CR377 is a lightweight, 13-gauge seamless knit glove that represents the latest development in high performance, cut-resistant fiber technology. These Samurai gloves offers superior cut protection with a special wrapping process using Thermalite fibers. These Samurai™ gloves outperform heavier gauge competition in cut-resistance, while providing outstanding comfort, durability and help reduce moisture from your skin keeping your hands dry. The Samurai also features AlphaSan® antimicrobial protection that last the life of the glove. AlphaSan® helps prevent and reduce bacterial growth on the surfaces of the glove.	Offers ASTM level 4 protection

Applications:

Excellent protection for all knife hand food preparation operations. Excellent industrial protection as a liner or in applications where dexterity is critical.

Qualities:

- Excellent tactile dexterity and cut protection
- Moderate level cut resistance
- Machine washable and bleachable
