

Samurai Glove® CR999MFF

Style	Sizes	Description
CR999MFF	S - 2XL	Enhanced seam free high visibility Tuffalene® brand HDPE liner. Featuring a full dipped blue Nitrile coating underneath a black Mach Finish Nitrile dipped palm. The Mach Finish Nitrile provides excellent wet oil grip while the under coating prevents any saturation to your hand. ANSI level A4 cut resistance.

Applications:

Used wherever handling sharp or abrasive objects such as glass, sheet metal or razor sharp steel and a high cut resistant level is required. Great for agriculture, mining, oil, gas, automotive, utilities, building and construction.

Qualities:

- ANSI level A4 cut resistance
- High visibility Tuffalene® brand HDPE shell
- Mach Finish Nitrile palm for excellent wet oil grip
 - Full coated nitrile for saturation resistance
- Great comfort, dexterity, and abrasion resistance
