

DETROIT GARAGE WORKS™

B-24 Liberator Aircraft Wash

A revolutionary new cleaner and wash developed for cleaning aircraft exterior surfaces safely and effectively without causing any degradation to the aircraft or the environment. Excellent for removing dirt, grease and grime, exhaust soot, fuel residue and common soils. May also be used for truck fleets.

Areas of Application

For use in a multitude of commercial fleet operations such as aircraft facilities, aircraft equipment, tugs and mules, heavy truck and trailer.

Features

- Concentrated for maximum performance and efficiency.
- Water based, non flammable, non-toxic and non-caustic.
- Non-corrosive and will not harm surfaces, rubber seals, sealants and Lexan®.
- Environmentally safe and does not contain any solvents or VOC's

Properties

| Color..... | Light Green |
| Fragrance | Pleasant, low odor |
| Specific Gravity..... | 1.07 |
| pH (concentrate) | 9.0-9.5 |
| Shelf Life | 30 months |
| Weight..... | 9 |

Safety

Get medical attention if you do not feel well. IF INHALED: remove victim to fresh air and keep at rest in a position comfortable for breathing. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Immediately call a poison center or doctor. IF ON SKIN (or Hair): Take off immediately

all contaminated clothing. Rinse skin with water or shower. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

Directions for Use

B-24 Liberator is suitable for cleaning all exterior aircraft surfaces. For normal cleaning mix 1 part B-24 with 6 parts water and foam the surface to be cleaner. Allow 5 minutes for proper penetration of soils. Then high-pressure spray rinse. For extreme soils and grease, apply undiluted and lightly brush until clean then rinse before drying occurs.

For Use With

- Pressure washers
- Spray and Brush applications
- Aluminum and metal cleaning
- Heavy Equipment cleaning

Storage

Store unopened at room temperature in the original container. Keep from freezing or extreme heat.

Package Size

-  1 gallon bottle
-  5 gallon pails
-  55 gallon drum or 320 gallon tote
