Miller® DuraHoist™ Flush Floor Mount Sleeve, Stainless Steel

- Stainless steel construction ensures durability and corrosion resistance
- Eliminates trip hazards compared to traditional floor mount sleeves
- Fits into a 4-inch diameter core hole in concrete or steel structures
- Supports up to 310 lbs with a tensile strength of 5,000 lbs
- Meets ANSI and OSHA standards for fall protection
- Ideal for confined space entry, rescue, positioning, and personnel/material handling
