

Chemstop™ | F225FLNV

Winter-lined chemical resistance with hook and loop wrist closures for a secure fit

0°C / 32°F

ABOUT THE PRODUCT

Our Chemstop™ F225FLNV chemical-resistant gloves feature a hook and loop wrist closure to provide a snug fit that protects against weather elements from seeping in. A fleece liner keeps hands warm down to 0°C / 32°F while the textured nitrile palms offers better wet grip.
