

Fire Gone® Fire Suppressant

DESCRIPTION

Fire Gone® is a fire suppressant packaged in a compact and cleverly designed aerosol can. It delivers a strong targeted stream that goes right to the source of the fire, coating it with specially formulated, firefighting foam. Easy to use and simple to clean-up. Made from biodegradable materials.

RECOMMENDED FOR

Kitchen • Garage • Office • Car • Dorm • Camping • RV • Grilling • Boat • Fireplace • Workshop

IMPORTANT

Do not attempt to fight fires that are too difficult to fight safely from 3 - 4 feet away. Every fire is different depending on size and type. More than one can of Fire Gone® may be needed to extinguish all flames. Non-refillable, intended for one time use. Ensure a safe path of escape in the event of failure to stop the fire. May not operate after expiration date. Store in original container in area inaccessible to small children.
