

BULLHEAD SAFETY® COOLING

Premium High-Visibility Evaporative Cooling Vest

DESCRIPTION

This premium cooling vest is high-visibility yellow/green with heat stress protection. The inside is blue nylon and constructed with proprietary cooling polymers in a multi-layer construction to help dissipate hot moisture quickly. This vest features mic tabs on the shoulders, a zipper closure, and silver reflective material for enhanced low-light visibility.

Each item is individually packaged in a polybag for retail sale.

ITEM GLO-CV1

SIZES M-3XL

FEATURES

- Material absorbs, stores, and releases water within a multi-layered fabric
- Provides extended cooling comfort and heat stress prevention
- Silver reflective material enhances low-light visibility
- Mic tabs on shoulders
- Zipper closure

Activation instructions:

- Soak vest in cool water for 2-5 minutes
- Blot out the excess water gently
- Enjoy cooling relief for several hours
- Reactivate by submerging in cold water as needed

Meets ANSI/ISEA 107-2020 standard

- Class 2
- Type R
