

BULLHEAD SAFETY® COOLING

Premium High-Visibility Evaporative Cooling Headband/Bandana

ITEM GLO-HB11

FEATURES

- Material absorbs, stores and releases water within a multi-layered fabric
- Provides extended cooling comfort and heat stress prevention
- Reusable and safe

Activation instructions:

- Soak headband/bandana in cool water for 1-2 minutes
- Wring out the excess water gently
- Enjoy cooling relief for several hours
- Reactivate by submerging in cold water as needed

DESCRIPTION

This premium high-visibility yellow/green cooling headband/bandana is constructed with proprietary cooling polymers in a multi-layer construction which helps to dissipate hot moisture from your body quickly.

Each item is individually hang-tagged for retail sale.
