

# FrogWear™ KNEE PROTECTION

## PREMIUM KNEE PADS

Lined with Jelly-Gel • Medical-Grade PU Foam Padding

### ITEM KP301J

#### DESCRIPTION

These premium knee pads are lined with jelly-gel and feature an ergonomically curved cap with diamond pattern surface. The top outer layer is a single-knit lightweight honeycomb mesh. They include medical-grade PU foam padding and an ergonomically curved fit.

Each pair is individually tagged for retail sale.

#### FEATURES

- Premium jelly gel lined style
- Ergonomically curved cap with a diamond-block designed non-slip cap increases traction
- Honeycomb single-knit top layer provides breathability
- Medical-grade PU foam padding for breathability and comfort
- Ergonomically curved fit
- Adjustable clip-on closures with buckles
