|                            |                            |
|----------------------------|----------------------------|
| Color                      | Black                      |
| Packaging                  | Boxed                      |
| Packed                     | 1/Case                     |
| Case Weight (lbs)          | 0.00                       |
| Country of Origin          | Mexico                     |
| Certifications             | TAA Compliant              |
| Lifeline Material          | Vectran™ Polyester Webbing |
| Lifeline Harness Connector | No Unit Connector          |
| Lifeline Anchor Connector  | Steel Locking Snap Hook    |

### Miller® TurboLite+™

Single Web Personal Fall Limiter, No Unit Connector, Steel Locking Snap Hook

- Quick-activating stainless steel braking mechanism for immediate response
- Visual load indicator alerts when the unit needs removal from service
- Compact design offers greater freedom compared to shock-absorbing lanyards
- Versatile option that can connect to harness D-ring or anchor point
- High-impact resistant nylon housing and abrasion-resistant webbing
- Meets OSHA, ANSI Z359.14-2021 Class 1, and CSA standards
- Supports up to 420 lbs per OSHA standards
- No annual recertification required reduces maintenance costs
- Ideal for industries such as construction, manufacturing, telecom, and wind energy, ensuring safety during work at heights

## SKU Information

| SKU              | COLOR | SIZE | UPC          | UPC (INNER) | UPC (CASE) |
|------------------|-------|------|--------------|-------------|------------|
| MTL-OHW1-03/6FT  | Black | 6'   | 612230300630 |             |            |
| MTL-OHW1-03/11FT | Black | 11'  | 612230301323 |             |            |
