

## Lightweight, Black, Disposable, Polypropylene, FDA Food Contact Compliant Face Mask

ITEM **NW-M2**

SIZES **ONE SIZE**

### DESCRIPTION

This lightweight, black disposable face mask is made from three layers of polypropylene material, bi-directional pleats, and an adjustable nose bridge for a custom fit. The outer material is black, the inner material is white. It grants protection from airborne irritants and prevents contamination in general-purpose environments.

### FEATURES

- Component materials comply with FDA regulations for food contact
- Three separate layers of PP material, the inner layer provides enhanced filtration
- Black outside, white inside
- Adjustable aluminum nose bridge
- Elastic ear loop straps
- Bi-directional pleats increase facial comfort and fit
- Provides protection against airborne irritants
- Prevents contamination
- For industrial use only
- 50 pieces per inner box, 40 boxes per case
- 2,000 pieces per case
- Sold by the case
