Solution White*
Item # K0700014 (case)
Item # K07000141 (each)
*Special Order Only

Enhance customer
experience with convenience and
the power to stay connected.

POWERFUL

- 10,000mAh battery charges multiple devices before needing to be recharged
- Easily rechargeable (12V power supply included with purchase, UL-approved)
- Built-in safety features prevent overcharging

CONVENIENT

- Patrons can charge phone or device without power outlet
- Phone stays in patron's possession while charging
- Two USB ports for simultaneous charging

ADVANCED

- Multi-purpose design acts as charging station, napkin dispenser, and advertising panel
- Advertising panels provide opportunities for custom messaging
- 6.5" x 8.4" size creates small footprint
- Lights elevate look and indicate battery life

CHARGING SOLUTION

Enhance customer
experience with convenience
and the power to stay
connected.
