### Miller® Revolution™

Premium Full-Body Harness with DualTech™ Webbing, 5 Points of Adjustment, with Back / Front / Side D-Rings, and Removable Belt, with Quick-Connect Chest & Leg Buckles

- DualTech webbing combines a soft textured inside layer with a durable, chemical-resistant polyester outer
- ErgoArmor semi-flexible back shield design minimizes impact from heavy snap hooks and lifelines
- PivotLink connection points use a rotary design for mobility and as attachment points for tools and accessories
- Quick-connect buckles with dual-tab release prevent accidental opening and ensure easy donning
- Cam adjustment buckles allow for one-handed shoulder strap adjustments
- Self-contained label pack protects labels from damage and loss
- Stand-up back D-ring ensures secure attachment and ease of use
- Supports a weight capacity of 400 lbs, exceeding ANSI requirements
- Meets OSHA, Certified ANSI and CSA standards for fall protection equipment
- Ideal for industries like construction, oil & gas, and utilities
