### Miller® Revolution™

Arc-Rated Premium Full-Body Harness with Kevlar®/Nomex® DualTech™ Webbing, 5 Points of Adjustment, Back D-Ring, Sub-Pelvic Strap and Quick-Connect Chest & Leg Buckles

- Designed to protect workers from falls caused by electric arc-flash and arc-blast exposure
- Kevlar®/Nomex® DualTech webbing is durable, fire-retardant, and comfortable with 10,000 lb tensile strength
- Webbing offers the durability of FR Kevlar® on the outer side, with softer FR Nomex® on the inside
- PivotLink connection points use a rotary design for mobility and as attachment points for tools and accessories
- Quick-connect buckles with dual-tab release prevent accidental opening and ensure easy donning
- Leather insulators protect against metal hardware contact
- Kevlar® web loop enables metal-less connection with compatible Kevlar lanyards
- Bright red binding identifies arc-rated harnesses easily
- Certified to meet ASTM F887-05, OSHA, ANSI, and CSA requirements
- High load capacity of 400 lbs
- Ideal for utility and maintenance workers operating near energized electrical sources
