North® RU8800 Series Triple Flange Silicone Half Mask

- Triple flange provides three sealing surfaces to ensure sealing security
- Soft and flexible silicone facepiece - comfortable for all day use
- Pleats on the facepiece provide gentle pressure to create a better seal
- Wraparound design contours to the user's face
- Low placement of inhalation valves maximizes field of vision
- Exhalation valve provides quick exhaust of warm: exhaled air
- Headstrap assembly includes extra wide cradle suspension and evenly distributes weight
- Woven straps that are easy to adjust and secure
- Fits broad/long facial profiles
