

Dexterity® | S13NSI

Non-Marring Gloves that Resist Adhesives, Liquid, and Heat

ABOUT THE PRODUCT

Our Dexterity® S13NSI gloves are a durable, high tactility option for resisting the stickiest of adhesives, repelling liquids, and protecting hands from heat due to the silicone palm coating. These ultra-thin gloves also maximize workers' sense of touch while protecting materials like glass and metal from fingerprints thanks to their non-marring coating.
