North[®]

Reusable Class 100 Cleanroom Chemical Resistant Nitrile Glove with Sandy Grip - 15"

- Nitrile contains no allergens and provides good resistance to snags, abrasion, puncture, solvents, caustics, and animal fats
- Sandpatch finish provides excellent grip in wet and dry applications
- Straight cuff offers additional length to trough to protect from runoff and drips
- Powder-free to reduce particulate and extractable contamination
- Size-embossed to avoid ink contamination
- Suitable for up to Class 100 cleanroom
- Unsupported construction allows for optimal dexterity and tactility for small parts handling
