

## Torq Red F™ High-Visibility Cut and Impact Resistant Gloves with Synthetic Leather Palm

### Description

The Torq Red F™ delivers outstanding protection and performance in demanding industrial environments where impact, cut, and abrasion risks are high. Designed for comfort and control, this flexible glove features dense, molded TPR protection across the knuckles, fingers, thumb, and back of the hand—absorbing shocks while maintaining dexterity. A durable, single-piece synthetic leather palm ensures a secure anti-slip grip in wet, oily, or dry conditions, while multilayer reinforcement and aramid stitching provide superior cut, abrasion, and heat resistance up to 250°C (482°F). The anatomical design minimizes hand fatigue, and the neoprene cuff offers a snug, secure fit that resists snagging. An integrated identification tag supports easy traceability and on-site compliance.

| INDUSTRY     |                            |
|--------------|----------------------------|
| Construction | Infrastructure Maintenance |
| Oil and Gas  | Steel Mills                |
| Highway Work | Metal Handling             |

### Features

- A robust single-piece AireFlex® synthetic leather palm for heightened durability and anti-slip grip
- Polyester shell provides comfort and dexterity
- Durable multilayer fabric on palm providing high cut and abrasion resistance
- Soft, flexible, TPR impact protection over the fingers and metacarpal bones provides tough protection
- Contact heat protection up to 250°C / 482°F for a short period (15 sec max)
- Reinforced thumb croch increases abrasion resistance in vulnerable area
- Name tag on cuff for easy identification
- Anatomical design helps prevent hand fatigue
- Sewn with aramid fiber for added durability and heat resistance
- Neoprene cuff with ID card for a snug, comfortable fit
- EN 388:2016 + A1:2018 Levels: 4X43FP
- EN 407:2004: X2XXXX

ITEM **SKG00020C** SIZES **12(3XL)**

**Meets ANSI/ISEA 105-2016 standard**

- Cut Level A7

**Meets ANSI/ISEA 138-2019 standard**

- Impact Level (Overall): 2
