TenActiv™ STXWPNVB

Breathable waterproof and windproof gloves with impact resistance

Our TenActiv™ STXWPNVB work gloves are waterproof and windproof to protect skin from harsh environments while remaining breathable. The unique membrane lamination prevents layers from slipping, providing a comfortable fit and reliable grip. TenActiv™ yarn offers ANSI Level A6 cut resistance with 360° cut protection while the impact-resistant, back-of-hand protection safeguards hands from moderate impact hazards while remaining dexterous. They also feature a micropore nitrile palm-coating at the palm ensures grip when handling parts in lightly wet or oily conditions.
