6060 Nitr Shield Stealth Disposable Specification Sheet

PRODUCT DESCRIPTION:

Nitrile gloves contain no latex proteins and offer excellent resistance to punctures and tears. They are three times more puncture resistant than rubber and can be used to offer superior resistance to many types of chemicals. This glove is an excellent alternative for individuals who experience allergic reactions to latex. The 6060 is an industrial / food service grade powder free black nitrile glove that measures 3 mil in thickness and is 9 inches in length. Component materials comply with all federal regulations for food contact. Gloves are CFIA compliant for food applications.
