# Checklite (CL2) Safety Glasses

## Value Series Specification Sheet

### **PRODUCT DESCRIPTION:**

The stylish Checklite® CL2 offers the same look and style as our original Checklite® CL1, but in a smaller size (12 percent smaller) to fit smaller facial profiles. Both offer our exclusive Duramass® scratch-resistant lens coating and spatula temples. The lightweight frame makes the Checklite® CL2 a comfortable option for long time wear. Be safe while looking good.

### **FEATURES:**

- Perfect for smaller facial profiles
- 12 percent smaller than original Checklite® CL1
- Exclusive Duramass® scratch resistant coating
- Good for everyday use or a new visitor spec
- Rugged polycarbonate lens filters 99.9% of harmful U.V. rays
