Miller® VI-Go®

Fall Protection Kit - Vi-Go Vertical Ladder Systems - Galvanized Steel

- Continuous fall protection – Provides uninterrupted safety while climbing fixed ladders.
- Supports multiple users – Accommodates up to four workers on one system.
- Smooth climbing experience – Fall arrester glides through brackets for hands-free movement.
- Adaptable design – Multiple components fit a wide range of ladder configurations.
- Durable construction – Galvanized steel components deliver long-lasting performance.
- Complete system kit – Includes cable, brackets, tensioner, and hardware for installation.
