

BULLHEAD SAFETY™ WINTER LINERS

Black, Shoulder-Length, Self-Extinguishing, Multifunctional, Hinged Thermal Balaclava

ITEM WL320SE

DESCRIPTION

This black thermal balaclava is shoulder length and features a soft 240g/m² fleece material and silver reflective accent logo. The hinged design allows these balaclavas to be worn in several different ways. The design provides comfort and warmth when worn either alone or under a helmet. The mouth and nose panel features breathable fleece and mesh which is designed to help prevent eyewear from fogging and allow increased airflow. One size fits all. Each item is individually packaged in a polybag for retail sale.
