

Lightweight, Durable Comfort

Tingley's polyurethane on nylon suit is lightweight and breathable for all day working comfort.

Breathable Eagle Polyurethane On Nylon Suit For All Day Comfort And Wear

The most lightweight and comfortable suit we make, the Eagle Suit is made of 200 denier nylon and coated on the inside with polyurethane.

- Breathable. Test method ASTM E96.
- Interior polyurethane coating and exterior DWR (Durable Water Repellency) coating for 100% waterproof protection.
- Generously cut to fit over the heaviest of work clothes.

Ideal Applications: Transportation, Meat Packing, Utilities, Municipalities, and General Industry.
