

# HELIX<sup>®</sup> 1040

HexArmor<sup>®</sup>

Innovation intertwined with full-range seamless safety. That's the DNA of the Helix<sup>®</sup> Series. The Helix<sup>®</sup> 1040 features a 13-gauge white nylon blend shell to give wearers a functional, flexible feel in a variety of general-purpose applications.

The smooth blue nitrile coating equips the glove with general abrasion and puncture resistance at the palm, as well as a solid grip in dry or oily situations.
