

PILOT G2™ Affordable, All Day Comfort

PILOT G2™ General Purpose Knee Boots provide comfort, durability, and waterproof protection for a wide range of applications

When you are working in wet, muddy conditions, our General Purpose PVC knee boots are enhanced for all day comfort and quality protection.

- Injection molded seamless construction provides 100% waterproof protection.
- Composite safety toe meets ASTM F2413 M/II/C and does not transfer cold or set off metal detectors.
- Flexible upper material stays supple in cold temperatures to make walking easier.
- Tough outsole material for good abrasion resistance.
- Self-cleaning, cleated outsole spits out debris as you walk.
- Removable insole wicks perspiration to help keep feet dry and comfortable all day.

WATERPROOF

CHEMICAL RESISTANT

OIL RESISTANT

SLIP RESISTANT

SAFETY TOE

Our General Purpose boots must meet Tingley's high standard for quality and performance.

Cleated Outsole: Spits out debris for grip on indoor and outdoor surfaces.

Ideal Applications: Construction, Agriculture, Industry, Foul Weather, and other general purpose applications.

Chemical Resistance: Certain acids and alkalis, fats, oils, hydrocarbons and other chemicals.
