

DEWALT®

Performance Driver Hybrid Gloves

DPG212

The protection and durability of a driver, with the fit and dexterity of a performance glove. Offers improved control, protection and comfort with strategically placed padding and reinforced "stress" areas. State of the art materials and construction meet the rigorous demands of the job.

Neoprene Straps provide protection in key impact areas

Short Slip-on Cuff for easy on and off

Lightweight, Breathable Spandex allows for a cool, comfortable fit

Terry Cloth Top of Thumb to quickly remove brow sweat

Reinforced Saddle Overlay provides additional durability

Rugged Reverse Cowhide Finger & Palm Overlays provide extra grip and durability

Premium Grade Cowhide Leather provides great durability
