

HELIX[®] 1031

HexArmor[®]

Innovation intertwined with full-range seamless safety. That's the DNA of the Helix[®] Series. The Helix[®] 1031 features a 13-gauge polyester blend shell to give wearers a functional, flexible feel in a variety of general-purpose applications.

The polyurethane palm coating equips the glove with general abrasion and puncture resistance at the palm, as well as a solid grip in dry or wet situations.

Attributes

Shell:		13G polyester
Coating:	Material:	Polyurethane
	Finish:	Textured, tacky
	Weight:	Lightweight
	Breathability:	Great
	Flexibility:	Excellent
	Grip:	Wet or dry
Sizes:		6/XS through 11/XXL

Product features

- 13-gauge polyester shell
- Polyurethane palm coating provides superior grip and abrasion resistance
- Ideal for white goods manufacturing
- Elastic knit wrist helps prevent dirt and debris from entering the glove
- High dexterity and tactility
- Seamless construction for enhanced comfort and breathability
- Launderable for extended life
