

safety eyewear Shockwave™

HexArmor®

With several tint options for outdoor applications, Shockwave™ delivers a sporty lifestyle frame that goes from work to play in no time. Wearers get a dual adjustable nose piece with four inclination notches – a HexArmor® safety first – and wide, large lenses that feel custom fitting while protecting against dirt, dust, and debris. Plus, options are available in our upgraded anti-fog and scratch resistant coating, as well as our unique high contrast + polarized lens, perfect for a variety of tasks.
