

Emerald CX® | SKWCPLP

360° cut resistance and a strong, steady grip

ABOUT THE PRODUCT

A strong grip meets high cut resistance in the form of these string knit gloves, which feature a DuPont™ Kevlar® stainless steel composite yarn blended with polyester that provides 360° ANSI Level A6 cut protection. Their leather palms increase comfort and durability, while providing a strong, steady grip on lightly oiled metal which makes these gloves ideal for handling heavy metal parts as well as glass or sharp objects.

APPLICATIONS

AUTOMOTIVE, GLASS MANUFACTURING, HVAC, METAL FABRICATION

RECOMMENDED FOR

AUTOMOTIVE STAMPING, GLASS HANDLING, METAL FABRICATION, METAL STAMPING

AVAILABLE SIZING

XS, S, M, L, XL, 2XL

SHIPPING AND PACKAGING

Unit of Measure: Pair
Country of Origin: Honduras

FEATURES AND TECH

Made In Americas: Yes

LAUNDERING INSTRUCTIONS

Wash & Tumble Dry Low Heat
